NG015	54H	752822	5925421	528 254	Wpt	gate, Gray restoration

[1] These columns present the traditional manual 6-digit map grid reference (100 m resolution). The first two digits for the easting and northing are directly obtained from the grid calibration; the third digit is estimated.

[2] "A Trk/B Trk" indicates a junction or intersection of tracks, A Track and B Track.
